Electrical Review and Western Electrician

JULY 4 TO DECEMBER 26, 1914

Articles marked * are illustrated; (E) indicates "Editorial."

A

Abbott, Henry* 557
Accident causes suit, peculiar.....370, 425
Accident prevention in Louisville..... 1208
Accident prevention in Uruguay..... 1046
Accidents, care and foresight will prevent 765
Accidents, electrical, British report on 182
Accrington (Eng.) Mond gas-electric plant 262
Accounting methods 671
Advertisement, central-station 659
Advertising campaign, Toledo*..... 364
Advertising, central-station, in England* 952
Advertising, electrical 1080
Advertising, electrical, commercializing, by Norman B. Hickox..... 410
Advertising electricity in South American cities 1079
Advertising, good electrical, appreciated 833
Advertising in electrical contracting business* 617
Advertising, power, in Springfield, Mass. 318
Advertising, public policy (E)..... 355
Advertising scheme, electrical, in London* 317
Advertising stamps used by New York Edison Company 214
Aeroplanes, wireless on..... 623
Air-brake stories, prizes for.....436, 880
Air compressor, portable*..... 594
Air, electric strength of, by J. B. Whitehead and W. S. Gorton..... 28
Air-operated device, formula for..... 1218
Alternating current, arrangement of wires carrying, in metallic pipes used as bushings..... 19
Aluminum cables 456
American Academy of Political and Social Science, meeting of..... 1052
American Electric Railway Association and affiliated organizations, convention of 765, 822
American Electric Railway Manufacturers' Association, exhibit and meeting of 156, 765, 822
American Electrochemical Society, general meeting of.....358, 606, 719
American Electrochemical Society, Pittsburgh Section 877
AMERICAN INSTITUTE OF ELECTRICAL ENGINEERS:
Annual convention (E)..... 3
Boston Section 1053
Chicago Section 1051
Convention of* 26
Directors' meeting 356
Employment Department 848
Lynn Section 850, 944, 1144
Minnesota Section 944
Pittsburgh Section 877, 1012
Pittsfield Section 742
Report of Committee on Inductive Interference 587
Report of Engineering Data Committee 29
Rochester Section 830
Spokane meeting 260, 404, 584
Standards Committee 156
299th meeting 760
300th meeting 761
301st meeting 1011
302nd meeting 1187
University of Alabama Branch.... 1227
University of North Carolina Branch 830
West Virginia University Branch. 1054
American Institute of Mining Engineers, electrical papers presented before 384
American Physical Society, meeting of 1068
American Roentgen Ray Society..... 260
American Society of Mechanical Engineers, Boston Section..... 1053
American Telephone & Telegraph Company, relations of, to telephone business, by N. T. Guernsey..... 912
American Telephone & Telegraph shares well distributed.....156
Ammeter and voltmeter, pocket-size combination* 973
Ammeter, cable-testing* 878
Among the contractors (see Contractors).
Among the supply men (see Supply men).
Analyzing power load (E)..... 889
Anchors, screw, and expansion shields, new line of*..... 187
Annunciator, substitute for..... 522
Annunciators, Edwards semaphore-lock-drop* 972
Answers to inquiries, complete (E)... 695
Appliance campaign in Columbus..... 992
Appliance campaign in West, active*. 923
Appliance department in railway waiting room 864
Application of electric power in fertilizer factory, by F. M. Weller*.. .....111, 159
Apprenticeship system as applied to steel mills 630
Aquitania's electrical equipment..... 1189
Arc lamps (see Lamps).
Arc welder, portable*..... 394
Argentina as electrical market..... 452
Argentina, electrical supplies needed in 556
Arizona commission news (see Public Service Commissions).
Arkansas Valley new business..... 897
Art galleries and studios, lighting of*.. 136
Artificial daylight (E)..... 650
Artificial daylight, by M. Luckiesh and F. E. Cady..... 677
Artificial-ice plants operating in conjunction with small central stations 1168
Association of Edison Illuminating Companies:
Convention 631
Report of committees:
Electric heating 634
Electric vehicles 633
High potentials 633
Incandescent lamps 632
Load-factor 633
Meter 634
National Code 631
Steam operation 632
Street lighting 632
Association of Iron and Steel Electrical Engineers, convention of*..62, 508, 877
Association of Railway Electrical Engineers, convention of 910
Athens (O.) sells municipal plant.... 825
Attachment plug, Trumbull swivel*... 291
Audion as generator of high-frequency currents* 142
Auditing and accounting, by Arthur R. Jones 664
Australian university desires technical data 23
Austrian electric plant, new..... 62
Automatic open-circuit tester*..... 1217
Automatic cutout for series-multiple lamps*. 1218
Automatic solenoid brake, new*..... 1230
Automobile, electric, touring by, by J. S. Codman 49
Autotransformer, building* 1137
Avoiding misunderstandings with consumer (E) 693

B

Baltimore's Star Spangled Banner celebration, illumination features of, by F. M. Weller*..... 766
Barnhart Brothers & Spindler, electrical work in type foundry of*... 707
Bartlett, J. C.*..... 741
Baseball, electricity and (E)..... 803
Baseboards, cutting 1135
Batteries, Gould 500
Batteries, vehicle, life of.....281, 426
Battery-charging equipment for private garages* 1116
Battery charging, low rate for (E)... 891
Battery-charging, by Maxwell R. Berry 1014
Battery-charging outfit that helps to keep costs, electric-vehicle*..... 38
Battery overload detector*..... 238
Battleship *Moreno*, electrical equipment of, by H. A. Horner..... 761
Beardslee inaugurates a unique dealer-help campaign 772
Bedell, Frederick* 405
Beer-vat dryers for drying films*.... 566
Belfast power-station developments.. 969
Bell circuits, double, on one battery*.. 522
Belt and pulley sizes, how to determine best 958
Belt, giant, in Austrian mining plant. 375
Belt, slack, excellent example of*..... 687
Belt slip and power loss..... 89
Berlin electrical engineers, relief measures taken by 1178
Bissell Company's salesmen's conference 524
Black locust, uses for..... 1016
Blue-print records of installations, value of (E) 695
Blue-printing machine* 144
Boards, floor, removing*..... 81
Boiler specifications 508
Boise City Council supports position of electric companies 1138
Bolts, double-arming, making..... 81
Book of electrical appliances..... 515
BOOK REVIEWS:
Dialogues Concerning Two New Sciences, by Galileo Galilei..... 1228
Electric Motors, by Francis B. Crocker and Morton Arendt..... 138
Elementary Theory of Alternate Current Working, by Capt. G. L. Hall 137
Engineers' Costs and Economical Workshop Production, by Dempster Smith and Philip C. N. Pickworth 137
Experiments, by Philip E. Edelman 1228
Handbook on Overhead Line Construction 138
High and Low-Tension Switchgear Design, by A. C. Collis..... 236
Insulation and Design of Electrical Windings, by A. P. M. Fleming and R. Johnson..... 577
Modern City Planning and Maintenance, by Frank Koester..... 236
Molded Electrical Insulation and Plastics, by Emile Hemming.... 138
Practical Alternating Currents and Alternating-Current Testing, by Charles F. Smith..... 137
Principles of Electrical Measurements, by Arthur Whitmore Smith 1228
Public Utilities: Their Cost New and Depreciation, by Hammond V. Hayes 137
Switchboards, Switching and Protective Apparatus, by C. C. Adams 138
Switches and Switch Gear, by R. Edler 435
Telephone Construction, Installation, Wiring, Operation and Maintenance, by W. H. Radcliffe and H. C. Cushing 236
The Mechanical Design and Construction of Generators, by R. Livingstone 435
The Year-Book of Wireless Telegraphy and Telephony..... 236
Books on Electricity, early..... 116
Boosting spirit in England (E)..... 8
Boston contractors dined 1174
Boston Domestic Science Exposition, electricity at 697
Boston Edison Company, department store contract for 895
Boston Edison Company encourages employees to make constructive suggestions 1130
Boston Edison Company, new business for 565
Boston Edison Company's growth..... 658
Boston Edison courtesy campaign..... 895
Boston Edison overcomes labor contention 813
Boston Edison puts sixty-watt Mazdas on free renewal list..... 855
Boston Edison secures contract from rubber company 1079
Boston Edison stock, distribution of... 1037
Boston Edison welfare buildings*..... 318
Boston Electric Car Salon..... 933
Boston Motor Car Club (see Electric Motor Car Club of Boston).
Boston, street-lighting contract for.. ..... 1129, 1164
Boxes for metal molding, new line of*. 590
Boxes, pull, proper distances between 371
Brackets for hotel sample-room lighting* 1229
Brady memorial safety medals..... 406
Brake, new automatic solenoid*..... 1230
Branch fitting for metal molding*.... 91
Branch offices, organization and operation of 723
Brazil, electrical imports into..... 804

184183

Bread-pan cleaning and greasing machine* 1149
Breakdown service (E) 943
Brick plant, electrification of* 213
Bridgeport celebrates opening of White Way 1210
Bristol Company's electrical long-distance transmitting, indicating and recording system* 1100
British electrical exposition 60
British electrical trade: war effect, by Albert H. Bridge 472
British Museum, electric lighting in, by W. B. Conant* 456
Brooklyn Edison Christmas campaign* 1211
Brooklyn Institute, lectures at..... 740
Bryan-Marsh sales conference..... 392
Bryant fittings* 1018
Buffalo Electric Vehicle Company exhibits new 1915 model*..... 497
Buffalo grip as lineman's third hand* 487
"Bungalow, Electric" 212
Bureau of Electrical Inspection of Chicago celebrates anniversary...1091, 1178
Burns, E. J.* 221
Bus and switch compartments, typical fireproof, by Emil G. Eern*..... 815
Busbar supports, new line of*..... 592
Bushing for flexible metallic conduit and armored cable*..... 832
Bushing for loom* 394
Bushing pliers* 539
Byllesby properties, big holiday sales of electrical appliances at..... 1130
Byllesby properties new-business increase 1079

C

Cabinets, installing* 1135
Cable regulations 830
Cable restrictions relaxed 850
Cable service, restoration of deferred. 697
Cable to Bahamas 218
Cable to Panama, new..... 186
Cables, aluminum 456
Cables, voltage testing of, by W. I. Middleton and Chester L. Dawes.. 32
Calculating machine, desk* 972
Calculations, arithmetical, minimizing work when making, by N. B. Odell 420
California Association of Electrical Contractors and Dealers, convention of* 17, 330
California commission news (see Public Service Commissions).
Canadian Electrical Association, new officers of..... 108
Canton agitating municipal plant.... 874
Carbolic acid, Edison, Bogardus, and... 902
Carbon, silicidized—silfrax, by ..... Tone 729
Carbons and magnetos for Europ... market 910
Carriage building, electricity in*..... 1029
Cars, gas-electric motor, for Illinois Central Railroad* 880
Cars, storage battery, on Vermont railroad 725
Cash-register concern, effective window display by..... 140
Catalogs, manufacturers', Patent Office wants 454
Catching dirt, device for*..... 861
Cathode copper, melting of, in electric furnace, by Dorsey A. Lyon and Robert M. Keeney..... 384
Cautions for electrician..... 75
Central-station advertising in England* 952
Central station and its relation to problem of city dust 633
Central-station business in Minneapolis 212
Central station for Vienna..... 292
Central-station lines, extension of.... 756
Central station, position occupied by.. 824
Central-station practice and experience with gas-filled tungsten lamps 460
Central-station publicity policy, open offices and approachable officials as 516
Central-station sales department organization and work, by F. D. Beardslee* 1073
Central station sees prosperity..... 212
Central-station service, testimonial to 367
Central-station service used by Jersey City industrial plants 120
Central station, 6,500-kilowatt, equipment selection in, by Henry Koch* 968
Central-station survey in Salt Lake.. 1037
Central station, Venezuelan, adopts day service 331
Central stations and contracting conditions in foreign lands, by S. E. Doane 179
Central-station's greatest opportunity: the electric vehicle 433
Chain gearing for electric motors, by Francis H. Davies*..... 956
Chandelier, three-circuit 1090
Channeling in brick*..... 522
Characteristics of ductile tungsten.... 1223
Charging equipment, private..... 504
Charging plugs and receptacles*..... 500
Charging stations, need for (E)..... 58
Cheaper electric wiring and the manufacturers of standard wiring devices (E)..... 1201
Cheaper wiring discussed by electrical manufacturers at New York conference 1226
Checking overhead charges periodically (E) 650
Chicago Bearing Metal Company, conduit installation in plant of*..... 568
Chicago Bureau of Electrical Inspection has annual celebration..... 1178
Chicago considering outdoor electrical life hazards 376
Chicago Electric Club (see Electric Club of Chicago).
Chicago electrical show postponed.... 536
Chicago inspectors to celebrate anniversary 1091
Chicago jobbers and wire manufacturers enjoy big day at golf..... 25
Chicago, Milwaukee & Puget Sound Railway lets $2,000,000 initial contract for electrification project.... 986
Chicago, Milwaukee & St. Paul Railway, electrification of Puget Sound lines of*..... 1205
Chicago street lighting, gas-filled tungsten lamps in* 511
Christmas book, Klein 1102
Christmas campaign of Brooklyn Edison Company*..... 1211
Christmas campaigns, early electrical.. 524
Christmas decorations, electric (E).... 1129
Christmas electric appliance campaign in Louisville 1079
Christmas sales opportunity..... 1192
Christmas sign, notable* 1171
Christmas tree boosts sales, central-station* 1130
Christmas tree, St. Paul 1178
Church advertising, appropriate*..... 750
Cincinnati agitates for municipal plant 897
Cincinnati contractors oppose additional inspection fees 1091
Cincinnati, noteworthy sign installation in* 1169
Cincinnati picnic 214
Cincinnati public utilities make important changes 821
Circuit-breaker, automatic oil*..... 727
Clamp, wire-stretching* 1153
Clamps, boltless cable and strain*.... 439
Cleat or outlet-box support, Knauber's construction* 91
Cleveland central-station employees receive handsome bonuses..... 214
Cleveland Railway shops, construction features of* 419
Cleveland's new municipal lighting plant, operating cost..... 867
Clocks, electric recording time, for Panama Canal shops..... 390
Coal, are you using best and cheapest? 93
Coal, Arkansas 219
Coal economy 633
Coal fields, Ohio, new power station in 158
Coal-handling plant, electricity in, by Robert M. Hale*..... 1165
Coal, Kansas 235
Coal mines, municipal plant supplies current to 109
Coal, Oklahoma 157
Coal, Tennessee 88
Coal, Texas 280
Coal, Virginia 275
Cockerill works, destruction of..... 637
Code, Ohio building 1172
Coffee and peanut roaster for retail trade* 191
Coil for short-circuit test*..... 754
Color-matching lamps 1012
Color of illuminants, by L. A. Jones... 677
Colorado commission news (see Public Service Commissions).
Colorado Electric Light, Power and Railway Association, convention of 260, 536
Colored absorbent solutions, by H. E. Ives and E. F. Kingsbury..... 681
Combination disk grinder and drum sander for wood patternmaking*.. 1232
Come-along for heavy wire or cable*. 1153
Commercial men to visit factories in body 72
Commercial relations of the United States 817
Commercializing electrical advertising, by Norman B. Hickox..... 410
Commission, Maine public utilities.... 712
Commission procedure, expediting (E) 106
Commission regulation discussed at Pittsburgh 712
Commissions, news from (see Public Service Commissions).
Commissions, presenting testimony before (E) 603
Commissions, service on (E) 1025
Commissions, state and Federal courts, conflicts between..... 712
Commonwealth Edison Company awarded safety medal..... 1204
Commonwealth Edison station, land secured for another 356
Commutator test of U. S. L. starter and lighter* 437
Competition and electrical contractor..125
Computation of cost of current, by Hugo Eisenmenger* 335
Condenser installation, synchronous, for power-factor correction..... 630
Condensite as molded electrical insulating material* 436
Conducting covering for electrical wires, removable* 240
Conductor run, heavy, terminating and lightning-protection arrangements for, by Arthur O'Brien*.... 477
Conductor, flexible steel-armored..... 1091
Conductors, running high-voltage, indoors* 573
Conduit bending* 328
Conduit, determining bend to be made in* 754
Conduit, enameled, with clean threads* 36
Conduit, fitting, to box..... 1135
Conduit fittings for high-potential work 903
Conduit, flexible, and armored cable, new line of*..... 686
Conduit installation, exposed*..... 528
Conduit job, making neat..... 328
Conduit, plugging 81
Conduit, putting ground clamps on... 1135
Conduit, removing plaster and cement in 174
Conduit supports* 124
Conduit threads, protection for..... 178
Conference of American mayors..... 1003
Conference of American mayors (E). 983
Connecticut contractors' association.. 959
Connector, the Red Devil, for tying wire* 1192
Connors' Creek development of Detroit Edison Company 158
Conservative public opinion (E)..... 353
Construction, electrical* 16, 74, 169, 216, 271, 321, 369, 416, 477, 518, 617, 706, 751, 814, 898, 956, 995, 1132, 1172, 1213
Construction features of Cleveland Railway shops* 419
Constructive policy for public-service corporations, by Charles Day..... 1005
Consumer, avoiding misunderstandings with (E) 693
Contact-maker for electric clock pendulum, frictionless* 144
Contract, street-lighting, for Boston.. ..... 1129, 1164
Contracting business, electrical, advertising in* 617
Contracting business, electrical, efficiency in* 372
Contracting business, electrical, specialization in (E)..... 737
Contracting conditions and central stations in foreign lands, by S. E. Doane 179
Contracting, electrical, cost methods in, by E. M. Raetz*..... 220
Contractor, competition and 125
Contractor conducts lighting campaign Louisville, Ky. 710
Contractor, electrical, how some folks feel about 814
Contractor, opportunity for (E)..... 506
Contractor, relation of Electrical Code to 664
Contractor, relation of, to other branches of electrical industry... 824
Contractor, relations between central station and, by Harry D. Learnard 664
Contractors and dealers of California to meet at Sacramento*.....17, 380
Contractors' Association of Massachusetts 418, 454, 662
Contractors' Association of Philadelphia 78
Contractors, among..... 18, 80, 125, 173, 221, 275, 327, 376, 421, 479, 521, 573, 620, 665, 710, 753, 815, 859, 901, 959, 996, 1042, 1134, 1174, 1215
Contractors' club in Dayton..... 122
Contractors' convention, Iowa..... 859
Contractors' convention, Rhode Island. 858
Contractors, electrical, Cincinnati to tax 753
Contractors, estimate sheet for..... 996
Contractors' exhibit*..... 1172
Contractors, Louisville, co-operate with central station..... 571
Contractors of Cincinnati oppose additional inspection fees..... 1091
Contractors of Connecticut form association 959
Contractors of Kansas elect officers.. 122
Contractors of Kentucky organize.... 75
Contractors of New York have outing. 80
Contractors of Salt Lake City have successful luncheon 273
Contractors of Springfield (Mass.) have electricians as guests..... 80
Contractors, proposed bill to license Massachusetts 173
Contractors, registered electrical, in Chicago 371
Contractors, why so many fail..... 571
Contractors, Wilkes-Barre, outing of. 753
Contracts, segregation of (E)..... 602
Contracts, segregation of, upheld in Pennsylvania 752
Control apparatus for steel mills..... 627
Control equipment, progress in (E).. 1202

Control of induction motors for rolling-mill drive, by Wilfred Sykes and G. E. Stoltz..... 630
Cook stove, new electric*..... 1233
Cooking, electric, by utility employees encouraged 318
Cooking, electric, in domestic science schools 615
Cooking, electric, in high school..... 292
Cooking, electric, in Kalispell, Mont.. 269
Cooking, electric, in Montana..... 513
Cooking, electric, in railroad restaurant 593
Cooking, electric, in South..... 454
Cooking, electric, side lights on (E).. 554
Cooking equipment, electric, in railway station 881
Cooking load in London..... 205
Cooking load, possible electric..... 167
Coon Rapids dam, illumination of*.... 513
Coon Rapids hydroelectric development 308
Coon Rapids hydroelectric plant, hydraulic features of..... 986
Co-operation between allied electrical associations 824
Co-operation in Portland, Me.*..... 897
Copper, Arizona..... 132
Copper, cathode, sources of impurities in, by Lawrence Addicks..... 729
Copper exports.....35, 98, 280, 308, 577, 698
Copper production, war affects..... 404
Copper, specific heat of..... 1033
Copper stock and price variations*.. 223
Copper, war and..... 876
Cord adjuster, Gam..... 640
Core-loss-testing outfit* 1056
Corn-canning factories, electricity in, by L. E. Darling*..... 807
Corn-cobs for fuel..... 1186
Corona produced by continuous potentials, by Stanley P. Farwell..... 1011
Corporation policy and public sentiment (E) 307
Correction 144, 967
Cost methods in electrical contracting, by E. M. Raetz*..... 220
Cost of current, computation of, by Hugo Eisenmenger* 335
Cost, power, superficial estimates of (E) 649
Cotter pins, closing..... 81
Cotton-mill contract 1170
Crane contact-wire supports, specifying holes in structural steel for*.. 814
Crane controller, Westinghouse*..... 294
Crane for Japan..... 223
Crane protective panel*..... 237
Crane, shipyard 488
Crane wiring, by George Gorman*.... 216
Cranes, coal-handling monorail, by George Gorman* 518
Crocker-Wheeler employees, outing of 343
Cultivating South American trade (E) 401
Current, computation of cost of, by Hugo Eisenmenger* 335
Current electrical news.....41, 97, 146, 194, 242, 298, 346, 395, 442, 489, 546, 595, 642, 688, 730, 775, 838, 883, 927, 977, 1020, 1060, 1105, 1155, 1195, 1235
Current tap, pull-chain*..... 1192
Curves, speed-time and distance-time, graphic method for, by E. C. Woodruff 1011
Cuspidor-polisher, electric* 488
Customers, serving, in groups (E).... 985
Cutout, automatic, for series-multiple lamps* 1218
Cutout, automatic time-limit*..... 35
Cutters, glass* 487
Cutting holes in steel cabinets..... 861
Cutting round holes through glass, by H. B. Manson*..... 995

D

Daylight, artificial, by M. Luckiesh and F. E. Cady..... 677
Daylight, artificial (E)..... 650
Daylight in buildings, planning for, by L. B. Marks and J. E. Woodwell. 678
Dayton central-station picnic..... 109
Dayton, contemplated extensions at.. 813
Dayton to vote on municipal ownership 615
Dayton votes against municipal ownership 944
Dayton Y. M. C. A. opens electrical school 804
Deep-well pumping by electricity, by H. G. Hall..... 69
Delta and star connections, effect of, upon transformer wave forms, by Leslie F. Curtis..... 584
Demand rates, approval of, by public service commissions 960
Demonstrations of electric furnaces and other apparatus..... 722
Demonstrations versus papers (E).... 695
Denatured electricity 460
Department-store contract for Boston Edison Company 895
Department store, wiring of*..... 169
Design, portable-lamp (E)..... 1161
Designing plants for future (E)..... 739
Determination of heights and distances for line-construction man, by Allen N. Bancroft* 1038
Detroit Insulated Wire Company reorganization* 93
Detroit railways to be appraised..... 109
Dishwasher, electric* 389
Disinfectant, electrolytic 332
Display stands for electric heating devices* 191
Distribution system for power purposes, by F. D. Nims..... 585
Distribution system of large central-station, by E. C. Stone..... 1012
District of Columbia commission news (see Public Service Commissions).
Dock at Hull, electric power for.... 61
Dock at Hull, electrical equipment of* 359
"Dollar Sale" in Joplin..... 367
Dollar wiring kinks (see Wiring Kinks).
Domestic science schools, electrical appliances in 615
Domestic supply problems in England (E) 1066
Double surfacer, motor-driven*..... 1153
Drafting board, vertical*..... 836
Dredge, levee-building, electric illumination equipment of*..... 974
Drill, automatic, for rapid work*.... 1016
Drill, new high-speed, heavy-duty*.. 1194
Drilling slate and marble panels, by C. V. Radley*..... 898
Drink-mixer, Dumore* 768
Drive, individual, perfecting (E)..... 155
Duluth-Edison and city council in wrangle 1130
Duluth, plans for inspection bureau in 308
Duquesne Light Company, distribution system of, by E. C. Stone..... 1012
Dust, city, central station and its relation to problem of..... 633

E

Economics of electric motor drive, by H. F. Stratton..... 827
Economics of electric motor drive (E) 802
Edison, Bogardus, and carbolic acid.. 965
Edison Day celebrated in Carnegie Institute of Technology..... 917
Edison Day in Schenectady..... 896
Edison Electric Illuminating Company of Boston, growth of..... 658
Edison Electric Illuminating Company of Boston, new business for..... 565
Edison Electric Illuminating Company of Boston overcomes labor contention 813
Edison Electric Illuminating Company of Boston, welfare buildings of*... 318
Edison, medal proposed for..... 805
Edison plant at Orange, N. J., to be rebuilt at once..... 1164
Edwards steel trucks*..... 1231
Efficiency in electrical-contracting business* 372
Elbows, substitute for, in mill construction* 621
Electric appliance campaign in southern Indiana 71
Electric Appliance Company of Chicago to have big field day..... 524
Electric Appliance Company's picnic*. 713
Electric club of Chicago..... .....260, 431, 604, 652, 697, 804, 848, 892, 944, 1028, 1122, 1190, 1204

Ladder, pipe, for electrical installations, by Henry Brady*..... 370
Lamp, arc, as incubator*..... 388
Lamp bulbs exported..... 685
Lamp, concentrated-filament, applications of 1013
Lamp design, portable (E)..... 1161
Lamp-dimming socket*..... 483
Lamp, electric hand*..... 1098
Lamp, flaming-arc, in iron and steel industry 631
Lamp, flash, new portable lantern and* 1194
Lamp, gas-filled tungsten, for street lighting (E) 507
Lamp guard, safety portable*..... 1055
Lamp, Hylo-Mazda* 485
Lamp, Oliver "Oriflamme"..... 131
Lamp on fixture, additional*..... 81
Lamp, shaving* 832
Lamp situation, incandescent, by J. W. Lieb 742
Lamp slip indicator, by Frederick Bedell 1224
Lamp, table, Delta battery*..... 879
Lamp, Wallace portable*..... 392
Lamps, arc, insisted on for Frankfort (Ky.) street lighting 90
Lamps, arc, support for*..... 754
Lamps, bluish, for work on blue linen. 454
Lamps, flashing sign, life of..... 1217
Lamps for Lincoln Highway, artistic. 1154
Lamps for miners..... 680
Lamps, gas-filled, characteristics of, by G. M. J. Mackay..... 680
Lamps, gas-filled, for New York street lighting 740
Lamps, gas-filled tungsten, campaign to push 566
Lamps, gas-filled tungsten, central-station practice and experience with 460
Lamps, gas-filled tungsten, fixtures for* 1015
Lamps, gas-filled tungsten, in Chicago street lighting* 511

Lamps, gas-filled, used in New York illumination 23
Lamps, Howard miniature 504
Lamps, incandescent, new developments in, by C. W. Bettcher..... 634
Lamps, incandescent, recent developments in 433
Lamps, incandescent, regulation and (E) 259
Lamps, incandescent, thirty-fifth anniversary of electric lighting by*.... 717
Lamps, large, for intermittent service (E) 603
Lamps, new sizes of British half-watt. 340
Lamps, newer Mazda, by J. R. Colville 675
Lamps, nitrogen street, in Bowling Green, Ky. 367
Lamps, pilar flame-carbon arc, ornamental street lighting by*..... 187
Lamps, tungsten, equations for, by G. W. Middlekauff and J. F. Skogland 681
Land-grant colleges to establish wireless stations..... 1223
Lansden electrics to be made in Brooklyn 254
Lansing electrical show..... 60
Lantern and flash lamp, new portable* 1194
Lantern, Beers electric*..... 485
Lantern, electric* 918
Lantern, Federal electric*..... 483
Lantern, Redsealite portable electric*. 1223
Latest approved fittings (see Fittings)
Lathes, gun* 638
Laundry, electric, for Minneapolis.... 1210
Laundry, electricity in*..... 263
Laundry wiring* 962
Laundrymen, Chinese, central-station folder for* 212
Lead, electrodeposition of, from lead-acetate solutions, by F. C. Mathers 721
Lead, electrodeposition of, from lead-lactate and lead-formate solutions, by F. C. Mathers and B. W. Cockrum 721
Leadership, by George E. Shepherd... 663
Legal notes 85, 128, 514
Legislation, by A. J. Hixon..... 665
Lehigh University Electrical Society.. 1224
Lehigh Valley sections hold joint meeting 1224
Liability insurance (E)..... 57
Liability insurance rates reduced in Ohio, workmen's 60
Licensing electricians in Highland Park, Mich. 421
Life of flashing sign lamps..... 1217
Light control for fire-engine house, automatic 78
Light in treatment of disease, by E. C. Titus 683
Light, source, new standard, by L. A. Jones 683
Lighting and power, rural, low-voltage plants for* 834
Lighting, arc-lamp street, insisted on. 90
Lighting, arch, for Venice, Cal..... 404
Lighting at Rutland Fair..... 579
Lighting, brackets for hotel sample-room* 1229
Lighting, Boston street..... 458
Lighting business, old-house, profitable methods of obtaining, by A. T. Holbrook 674
Lighting business, trend of, by M. C. Turpin* 459
Lighting by incandescent lamps, thirty-fifth anniversary of*..... 717
Lighting campaign in Louisville, Ky., contractor conducts 710
Lighting, Chicago street, gas-filled tungsten lamps in*..... 511
Lighting, church, fixtures for*..... 728
Lighting circuits, peculiar faults in, by T. H. Reardon*..... 619
Lighting, cluster, successful temporary use of 14
Lighting companies compared, Massachusetts 749
Lighting contract, bridge..... 364
Lighting contract for Boston, new street 1129, 1164
Lighting controversy at Frankfort..... 526
Lighting controversy at Hillsboro, O.. 606
Lighting, cost of (E)..... 506
Lighting costs, street, studying (E)... 105
Lighting, decorative, in Springfield, Mo. 897
Lighting, display, making most of (E) 846
Lighting effect, novel..... 294
Lighting, electric—a factor in civilization, by S. E. Doane..... 1051
Lighting, electric, in British Museum, by W. B. Conant*..... 456
Lighting, electric, promotes safety of children 214
Lighting, electric tube (E)..... 507
Lighting equipment, commercial daylight 1012
Lighting equipment, Federal high-efficiency* 340
Lighting, factory, by O. R. Hogue and A. O. Dicker..... 679
Lighting fixture, indirect*..... 139
Lighting fixture, temporary*..... 174
Lighting fixtures, new*..... 484
Lighting fixtures, street, by W. P. Hurley 674
Lighting for London, new street*..... 131
Lighting for railroad yard, tower..... 23
Lighting in Bombay, India..... 62
Lighting in Bowling Green, Ky..... 367
Lighting in electric shop, consistent (E) 891
Lighting in Lexington, Ky., Commercial Club to improve... 805
Lighting in railroad shop*..... 726
Lighting in Sweden..... 571
Lighting, indirect, in theater..... 860
Lighting industry, safety in..... 632
Lighting installation, planning..... 860
Lighting, interurban, by R. W. Hoy... 581
Lighting, interurban, line costs for.... 615
Lighting law, Utah district..... 280
Lighting, luminous-arc street, at Boise 513
Lighting, merchants' ornamental street 864
Lighting of art galleries and studios*. 136
Lighting of float by tractor-driven generating set* 1151
Lighting of Gilbert Avenue Viaduct, Cincinnati, wiring details for, by Kenneth C. Cardwell*..... 321
Lighting of Grove Park Inn, Asheville, N. C.* 345
Lighting of metal-working plants, by A. L. Powell and R. E. Harrington 679
Lighting of Nashville boulevard..... 508
Lighting of rooms through translucent glass ceilings, by E. J. Edwards.. 680
Lighting of stores in dull season..... 186
Lighting of Thames Embankment, London* 206
Lighting of Tower of London*..... 288
Lighting of Westminster Abbey*..... 134
Lighting plant, block, Cincinnati to enjoin 430
Lighting plant, Canton agitating municipal 874
Lighting plant, Cleveland municipal, operating costs of..... 867
Lighting plant for Dawson..... 458
Lighting plant for smallest Kansas town 488
Lighting prices, street arc..... 636
Lighting-rate controversies settled.... 660
Lighting rates, municipal, by Ray Palmer 1004
Lighting rates, Sandusky to get new.. 813
Lighting requirements for Waltham, Mass., street 1146
Lighting, restaurant, by A. L. Powell* 559
Lighting schedules, street, for 1915.... 1068
Lighting, special street, payment for. 1129
Lighting stone yard..... 275
Lighting, St. Paul street..... 1186
Lighting, street, at Melrose, Mass..... 637
Lighting, street, critical studies of (E) 553
Lighting, street, for Lexington, Ky... 1129
Lighting, street, gas-filled tungsten lamp for (E)..... 507
Lighting the classification yard of the P. & L. E. R. R. at Pittsburgh*. 835
Lighting, tube, London installations of* 455
Lighting units, ornamental street, with high-candlepower Mazda lamps*. 92
Lighting, window, opportunities in (E) 2
Lightning and fire, Maine plant damaged by 431
Lightning arrester with resistance, horn-gap* 295
Lightning arresters, electrolytic 525
Lightning damages power station..... 387
Lightning protection 357
Lightning protection, by V. E. Goodwin 673
Lights, street, automatic turning on of 174
Lincoln Highway (E)..... 450
Lincoln Highway, year's work on..... 654
Lincoln Ice Company, electrical installation in plant of*..... 76
Line costs for interurban lighting..... 615
Line unit high-tension*..... 1015
Liquid air for ice-making..... 981
Lisbon, electrical material wanted at.. 834
Load-building, Kansas City keeps up*. 1209
Lock manufacturing, electricity in*... 743
Locomotive and passenger-car repairing, electricity in*..... 945
Locomotives and tractor trucks for Butte, Anaconda & Pacific Railway 36
Locomotives, New Haven electric, prove adaptability to railroad switching service* 94
Locomotives, Panama Canal..... 176
Logan, W. Va., large power plant in. 944
London, committee report on unified electricity supply for..... 385
London electricity authority..... 1054
London electricity supply, war effects on 741
London's lesson in illumination (E)... 984
London's postal electric railway..... 1208
Long transmission lines, by R. A. Philip* 1222
Loom clamp, Adapti*..... 878
Louisville, central-station progress in. 167
Louisville company, big contract for.. 660
Louisville company issues free Christmas certificates 993
Louisville company schooling commercial men 167
Louisville Electrical Clearing House Association 421
Louisville electrical men discuss the code 1224
Louisville Gas & Electric business.... 855
Louisville Gas & Electric employees discuss "safety first"..... 1127
Louisville Gas & Electric employees meet 855
Louisville Gas & Electric promotes efficiency 896
Louisville generating plant, improving economy of 515
Louisville, Ky., Electrical Clearing House of 710, 814
Louisville power plant, additions to... 813
Louisville Wiring & Fixture Company to drop gas fixture business..... 376
Low river stage throws heavy load on steam plant 235
Low-voltage plants for rural lighting and power* 834
Lubrication as factor in vehicle operation 504
Lumber-carrier, electric* 390
Lumber industry, electricity in, by E. F. Whitney 586
Lumber men meet tragic death..... 204
Lumber mill adopts electric drive..... 614

M

Magnetic control, alternating and direct-current, for auxiliary motors, by W. C. Lum 628
Magnetic control characteristics, by H. F. Stratton 628
Magnetochemical phenomena 177
Magnets, permanent 539
Maine public utilities commissioners appointed 906
Malting houses, electricity in*..... 1123
Management 970
Manila Power Company organizes for Philippine hydroelectric development 917
Manufacturer, American electrical, independence of (E) 402
Manufacturers, electrical, discuss cheaper wiring..... 1226
Manufacturers of standard wiring devices, cheaper electric wiring and the (E)..... 1201
Manufacturers' viewpoint, electrical trade from 463
Manufacturers, with electrical 46, 102, 150, 198, 246, 302, 350, 399, 446, 493, 551, 598, 645, 691, 734, 778, 842, 886, 930, 980, 1022, 1062, 1108, 1159, 1198, 1238
Marconi annual report 60
Marconi company and China, important contract between 177
Marconi station, new 917
Marconi Wireless, British 228
Mardi-Gras, electrical, in Philadelphia 652
Maryland commission news (see Public Service Commissions).
Massachusetts commission news (see Public Service Commissions).
Massachusetts contractors' convention 418, 454, 662
Massachusetts contractors, proposed bill to license 173
Massachusetts Electric Lighting Association, annual meeting of..... 281
Massachusetts Institute of Technology, new buildings for 435
Massachusetts Institute of Technology, progress in electrical engineering research at 157
Massachusetts lighting companies compared 749
Mayors' conference at Philadelphia, by H. G. D. Nutting..... 1145
Mayors, conference of 1003
Mayors' conference on public utilities (E) 983
Mazda-lamp fixtures for street-lighting service* 1191
Medal, Edison, presentation of..... 32
Men, selecting, by L. R. Moffit..... 854
Menominee, outing at 565
Merchandising, electrical development through (E) 203
Merchandising, modern—extending the field at Yonkers* 1170
Mercury-arc patents, notable group of 640
Mercury-arc rectifier bulbs, excellent life performance of 343
Merger of electric utilities at York.... 538
Merger of Texas and Missouri independent telephone companies..... 696
Metal molding, branch fitting for*..... 91
Meter box to permit reading meter from outside of house* 1148
Meter maintenance, relation of, to revenue, by G. F. Atwater..... 530
Meter, no deposits on 659
Meter testing and voltage regulations, by E. H. Tyson 582
Meter, value of ampere-hour, to drivers of electric trucks, by A. R. Cordner* 1114
Meters, direct-current portable*..... 291
Meters, flat-rate, for heating and lighting loads, by H. F. Hatch..... 583
Meters, graphic* 393
Meters, reactive-factor* 1152
Meters, Salt Lake City license tax on, declared unconstitutional 387
Meters, three-phase, connecting and similar errors in* 386

Meters, watt-hour and ampere-hour, and applications in steel mills... 630
Mexico, electricians in 863
Mexico, trade resumption in..... 604
Mill construction, substitute for elbows in* 621
Milling machine, portable*..... 343
Mine, Montana, electric power for.... 951
Mineral and water-power resources, Secretary of Interior urges immediate development of 382
Mineral resources, United States almost independent in 1018
Mines, central-station power for..... 660
Mines, exhibit of Bureau of, at Panama-Pacific Exposition 385
Mining, limiting conditions for safe use of electricity in, by W. M. Thornton 765
Minneapolis, good business at..... 13
Minneapolis, new business secured in. 72
Minneapolis plant placed in operation. 475
Minnesota Electrical Contractors' Association, annual meeting of*.... 18
Minnesota-Wisconsin companies merge and extend operations 1144
Minimizing work when making arithmetical calculations, by N. B. Odell 420
Mission of electrical engineering (E). 1121
Missouri commission news (see Public Service Commissions).
Missouri contractors' meeting..... 124
Missouri Telephone Association meeting 1178
Misuse of "electric" 1048
Modern merchandising—extending the field at Yonkers*..... 1170
Molding, spacing holes in 621
Mond gas-electric plant at Accrington, Eng. 262
Montana plant nears completion..... 1154
Morganfield, Ky., new plant at..... 334
Motion-picture booth, ventilation of.. 481
Motion-picture machines, power supply for, by A. C. Davies*..... 121
Motion-picture theater, electrical equipment in, by Herbert C. Moss* 16
Motor, compensated polyphase*..... 341
Motor control* 901
Motor drive, economics of (E)..... 802
Motor drive, electric, economics of, by H. F. Stratton 827
Motor-drive reduces liability insurance rates 914
Motor, Dumore sewing-machine* 1055
Motor, electric automobile 873
Motor-generator set for charging storage batteries for gasoline automobiles, a small* 1192
Motor-generators, constant-potential systems for charging with..... 873
Motor installations, temporary, construction details of 1089
Motor mountings, flexible (E)..... 890
Motor on water wagon*..... 922
Motor, reversing the, to start large, loaded, gyratory crusher 1173
Motor, rewinding 87, 176, 280
Motor, single-phase, for small installations* 588
Motor starters, New York City prohibits old-style 860
Motor switch, locating, near inflammable volatile liquids 20
Motor trouble, peculiar case of..... 17
Motors, alternating-current, protection for 522
Motors, chain gearing for, by Francis H. Davies* 956
Motors, concatenated induction, for rolling-mill drive, by William Oschmann 27
Motors, direct-current, for coal and ore bridges, by R. H. McLain 27
Motors, direct-current, for printing presses and linotype machines*.... 543
Motors, electric, for gold dredging.... 637
Motors, electric steering-gear*..... 771
Motors for Chicago Surface Lines.... 639
Motors for gold dredging, by Girard B. Rosenblatt 586
Motors for washing machines*..... 640
Motors, polyphase induction*..... 1056
Motors, self-starting alternating-current 340
Motors, small, new line of*..... 35
Motors, steel-frame direct-current*... 725
Motors, Westinghouse electric vehicle. 939
Mountings, flexible motor (E)..... 890
Mouse causes short-circuit..... 621
Municipal and private ownership..... 184
Municipal electrical inspection..... 572
Municipal lighting declared unprofitable, by F. M. Tait..... 850
Municipal lighting rates, by Ray Palmer 1004
Municipal ownership and government ownership condemned 1142
Municipal ownership, businesslike utterance against (E) 601
Municipal ownership, by H. J. Conden 232
Municipal ownership, Dayton to vote on 615
